### SUMMARY

I am a Software Developer/Mobile Developer who recently successfully completed the Haktiv8 bootcamp. During the program, my skills significantly improved in developing JavaScript applications on a full-stack basis. I am committed to utilizing my enhanced skills and knowledge to drive innovation and create a positive impact. The most important takeaway from attending the bootcamp was discovering the best learning method for myself, enabling me to learn new concepts at a faster pace than before.

### EDUCATION

**Haktiv8** **Jakarta, Indonesia**
